2. Basis of Purchase

2.1 No Order shall be capable of acceptance by the Supplier unless it is in writing on the Buyer’s official Order form and is signed by an authorised representative on behalf of the Buyer. The Buyer shall be entitled to withdraw an Order at any time before it is accepted by the Supplier by giving written notice to the Supplier. Unless previously withdrawn by the Buyer, Orders shall be deemed accepted if not rejected by the Supplier giving written notice to the Buyer within 14 days from its date.

2.2 The terms of the Contract shall be these Conditions and the terms expressly stated or incorporated by reference in the Order. 3 Inspection/Testing

3.1 The Supplier will carefully inspect the Goods before despatch for compliance with any Specifications. If the Buyer requires the Goods and/or Services or any part of them to be tested during manufacture, processing or storage of the Goods the Supplier must arrange and pay for the testing to be carried out at a venue of the Buyer’s choice. The Supplier must agree the test specifications with the Buyer prior to carrying out such testing. The Supplier must allow or procure access for the Buyer’s representatives to the test venue at the times the testing is carried out and ensure that the Buyer has received and approved accurate and complete copies of all test results before the Goods are despatched and/or Services are provided to the Buyer.

3.2 Any inspector or representative authorised by the Buyer shall from time to time be entitled to inspect the Goods and/or Services at any reasonable time at the Supplier’s premises, or where applicable at the premises of any subcontractor, provided that any such inspection, unless otherwise agreed in writing by the Buyer, shall not constitute acceptance or approval of the Goods and/or Services. If upon any such inspection any Goods and/or Services are found to be defective or the Buyer is not satisfied that the Goods comply in all respects with the Contract, Order and Specifications, the Buyer shall so inform the Supplier in writing and the Supplier shall forthwith at its own expense take all necessary steps to make good the defect and/or ensure that the Goods and/or Services comply in all respects with the Contract, Order and Specifications.

No Goods in excess of quantities ordered will be accepted unless agreed in writing by the Buyer.

4.3 The Supplier will repair or replace, free of charge, Goods damaged or lost in transit provided the Buyer shall give to the Supplier notification of such damage or loss within a reasonable time.

4.4 The Buyer shall not be deemed to have accepted any Goods until the Buyer has had a reasonable time to inspect them following delivery or, if later, within a reasonable time after any latent defect in the Goods has become apparent. The acceptance of all or any portion of the Goods (particularly in the case of multiple deliveries) shall not be deemed a waiver of the Buyer’s rights either to cancel or return all or any part of the Goods under Condition 5 below.

5 Time for Delivery/Performance

5.1 Time for delivery or performance by the Supplier shall be as specified in the Contract. The Supplier shall give the Buyer reasonable notice of delivery date. Time for delivery or performance by the Supplier shall be of the essence of the Contract. If the Goods are to be delivered or the Services are to be performed by instalments, the Contract will be treated as a single contract and will not be severable.

5.2 If the Goods or any instalment of the Goods are not delivered on the agreed date, the Buyer shall be entitled to:

- (a) cancel the Order for such Goods; and
- (b) cancel the Order for any other Goods already delivered under the Order which cannot be effectively and commercially used by reason of the non delivery of such Goods which the Buyer shall return to the Supplier at the

7 Price & Payment Terms

7.1 The prices stated in any Order are fixed and not subject to alteration by the Supplier. Unless otherwise agreed in writing, prices are inclusive of packaging, packing, shipping, insurance, carriage charges and delivery charges to the address specified in the Order, but exclusive of value added tax and other applicable taxes, duties or levies of any kind whatsoever and any other charges for delivery.

7.2 The prices stated in any Order shall not exceed those prices charged by the Supplier to any other customer purchasing the same Goods or Services in the same or smaller quantities and if they do then the Supplier shall immediately inform the Buyer and shall reduce such prices by the amount of any such excess. The Buyer shall be entitled to any discount for prompt payment, bulk purchase or volume of purchase customarily granted by the Supplier.

7.3 The Supplier shall only be entitled to invoice the Buyer on or at any time after delivery of the Goods or performance of the Services and invoices submitted early shall be deemed received on the last day of the month in which the Goods are delivered or the performance of the Services is completed. Each invoice shall quote the Buyer's Order number.

7.4 The Buyer processes all invoices for payment monthly and accordingly all invoices received or deemed to be received (under Condition 7.3 above) by the fourth day of the month following delivery will be included for processing in that month. Invoices received after the fourth day of any month will be carried over for processing to the following month.

Any agreed time period for payment of invoices will commence only when the Supplier's invoice is processed by the Buyer under Condition 7.5 above. If the Supplier is in breach of any such obligation at the date for payment the Buyer shall be entitled to withhold payment in whole or in part until such breach has been remedied by the Supplier. All payments shall be made in Pounds Sterling unless otherwise specified in the Order.

7.5 No payment of, or on account of, the price shall constitute any admission by the Buyer as to the performance by the Supplier of its obligations under the Contract or acceptance or approval of the Goods and/or Services provided by the Supplier.

8. Warranty

8.1 The Supplier warrants that:

9.2 The Buyer may at its discretion and at the Supplier's sole cost:

(a) recall any Goods already sold by the Buyer to its customers (whether for a refund, credit or replacement which shall in each case be undertaken by the Supplier at the Buyer's option); and/or

(b) issue any notification whether in writing or otherwise to its customers about the manner of use or operation of any Goods already sold by the Supplier to its customers;

19.2 The rights and remedies of either party in respect of the Contract shall not be diminished, waived or extinguished by the granting of any indulgence, forbearance or extension of time granted by such party to the other nor by any failure of or delay by the said party in ascertaining or exercising any such rights or remedies. The waiver by either party of any breach by the other party of any provision of the Contract shall not prevent the subsequent enforcement of that provision and shall not be deemed to be a waiver of any subsequent breach of that or any other provision.

19.3 If any one or more of these Conditions or any other term of the Contract (or any sub-Condition or paragraph or any part of one or more of these Conditions) is held to be or becomes void or otherwise unenforceable for any reason under any applicable law, the same shall be deemed omitted from the Contract and the validity and/or enforceability of the remaining provisions of the Contract shall not in any way be affected or impaired as a result of that or omission.
